Unique experiences to feed growing minds

The Elkhart County Parks strives to create a learning ecosystem for students that spark their natural curiosity and deepen connections to their local history and heritage.

With interpretive programs centered on environmental and historical education, the Elkhart County Parks offers one-of-a-kind learning environments crafted to fit your student’s needs. Whether your class is exploring the outdoors, or we bring the outdoors to your classroom, your students will walk away with hands-on experience they will not soon forget.

Most programs can be offered at any of our parks. Bonneyville Mill Tour, Flashback Farming, and 19th Century School Lesson are only available at Bonneyville Mill County Park. Regional Native American History and Our Story: Elkhart County are only available at the Elkhart County Historical Museum.
