EARTH MONTH CHALLENGE

Earth Day and Arbor Day are two holidays celebrated in April. This year, we're celebrating all month with our Tree Passports.

We have labeled 8 tree species at Bonneyville Mill and Ox Bow County Park. Each tree label will have a question at the bottom. The answer is your passport stamp, so be sure to write it down under the correct tree species.

You can collect all 8 stamps at one park, or visit both to complete your passport. Submit your completed passport for a chance to win the Earth Month grand prize!

Visit elkhartcountyparks.org to see the map of all the exact tree locations.

Send in a picture of your completed passport **before 4/29** to pjozwiak@elkhartcounty.com, or turn them in at either of the locations below.
