HELP BRING US UP TO PAR: SPONSOR THE SPORT

In 2024 the Ox Bow Flying Disc Sanctuary will turn 35 years old. We want to bring the holes 'up to par' before we celebrate the milestone of this historical course.

Your minimum \$900 sponsorship will feature a name on the hole you are sponsoring and will help replace the tee pad, Mach X basket, signage, and security. Twenty one holes are available for sponsorship. Contact us for more information today:
