# Elkhart County
Spring Wildflower
# BIOBLITZ

April – May 2026

1. Get the iNaturalist App

Download the free iNaturalist app on your phone or iPad. Create an account.
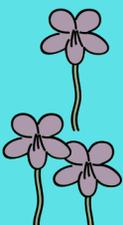

2. Join the Project

Click on the projects tab and join the "Wildflower BioBlitz: Elkhart County 2026"

3. Take Photos

Snap a photo of a wildflower within Elkhart County. Only new photos can be submitted.

4. Submit to Project

On the "edit observation page" click the "add to project" button to add to the BioBlitz project.

5. Let Community Help Identify

Submit your photo and check back for suggested identifications from the iNaturalist community.
